*Proceedings of the Madras Government, Public Works Department,
29th April 1864.*

Read the following papers:—

No. 639. From Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 6th April 1864, No. 373.

SIR,

I have the honor to return three of the original papers received with Government Order No. 93 of 17th March, substituting for the other two a Plan and Estimate for the Police Hospital at Calicut, altered as requested. In making this revision the Sub-Engineer in charge of Calicut Range has taken the opportunity of entering such rates of wood-work and flooring as will allow of better materials and workmanship than those which I have found in ordinary use at Calicut, and did not approve of. This will account for the increase from Rupees 2,310 to Rupees 2,660, which might otherwise have been thought out of proportion to the alterations ordered.

Referred to the Judicial Department:
