Proceedings of the Madras Government, Public Works Department, 3rd May 1864.

No. 30. Read the following letter from Lieutenant-Colonel C. V. WILKIESON, R. E., Controller and Auditor of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 26th April 1864, No. 3,127 :—

SIR,

1. I have the honor to forward for the orders of Government a letter from Mr. Fraser, Special Executive Engineer, on the subject of the extra pay that he is to draw, during the time that he acts for Mr. Kennedy in addition to his own appointment, G. O. No. 229, dated 9th March 1864.

2. In the Uncovenanted Servants Vade Mecum, under the portion of Section 8 for this Department, there is no rule exactly applying to this case; but paragraph 222 provides, that in the case of Executive Engineer acting in a higher grade, he is entitled to draw a moiety of the higher salary in addition to his own. In Mr. Fraser's case it appears to me that this rule might be made to apply, although he is only acting for another in the same grade as his own.

3. The rule in Bengal is clearly laid down in Circular No. 42, dated Fort William, 22nd May 1862, viz., an Executive Engineer who in addition to his own duties takes charge of another Executive Engineer's office draws Rupees 100 additional. The Government in G. O. 21st of August No. 2,385, paragraph 2, mention, that the subject of acting allowances "will be referred for the consideration of Lieutenant-Colonel Ludlow, who is now employed in revising the Public Works Code.'

No. 31. ORDER THEREON, 3rd May 1864, No. 1,258.

1. As Mr. Fraser has not been appointed to act for Mr. Kennedy departmentally, his claim to the moiety of the latter's salary appears untenable.

2. The extra charge assigned to Mr. Fraser was entrusted to him at his own request, and in consequence of his representation that it was not of so heavy a character as to interfere with his other duties, and of his assurance that the "arrangement too would be the cheapest, as the utmost it would involve in the way of executive superintendence would be the appointment of an Overseer."

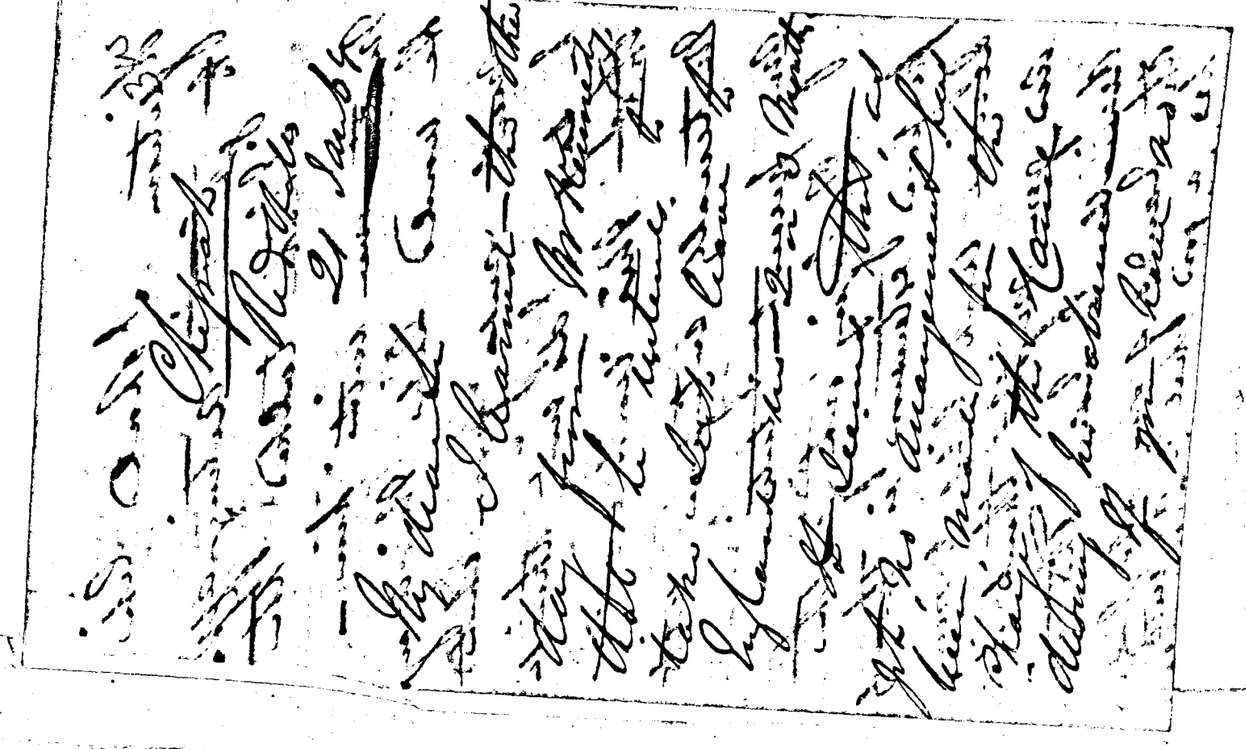

3. The temporary departmental vacancy caused by Mr. Kennedy's absence will be filled up in due course.
