Proceedings of the Madras Government, Public Works Department, 4th May 1864.

No. 79. Read the following Endorsement of the Controller and Auditor of Public Works Accounts, dated Madras, 18th April 1864, No. 3,051 :—

Read the following letter from Captain T. E. GAHAGAN, R. E., Acting Superintending Engineer, 5th Division, to Lieutenant-Colonel C. V. WILKIESON, R. E., Controller and Auditor of Public Works Accounts, dated Salem, 16th April 1864, No. 2,437.

SIR,

1. With reference to paragraph 4 of G. O. No. 1,000 of the 9th instant, I find on record in this Office the following correspondence :—

(1.) No. 64 of July 28th 1863, to the Superintending Engineer, 5th Division from the Executive Agent in charge No. 4 Range, South Arcot, submitting an emergent Estimate for repairing the Veeranam head sluice, and suggesting that, to provide funds for this work, the Estimate of Rupees 1,019 for the repairs of the Peryeri and Kolinganeri Coonoor tank be postponed until 1864-65.

(2.) No. 74 of August 18th 1863, to the same from the same; drawing attention to previous letter.

(3.) No. 578 of August 27th 1863, to the Executive Agent No. 4 Range, South Arcot, from the Superintending Engineer, 5th Division, sanctioning the immediate execution of the Estimate for the Veeranam head sluice, and the postponement of that for the Coonoor tank to 1864-65.

2. There is nothing on record to show why the sanction on emergency of the one, and the postponement of the other Estimate were not entered in the appropriation list for August. It would seem to have been by an oversight that the arrangement regarding the two works was left to appear in the appropriation list for October.

1 Letter from the Superintending Engineer, 5th Division, No. 2,437, dated 16th April 1864.

Submitted to Government with reference to paragraph 4 of their Order No. 1,000, dated 9th April 1864, and in continuation of letter from this Office No. 3,020, dated 16th April 1864.
