*Proceedings of the Madras Government, Public Works Department,
4th May 1864.*

No. 83.

Dated 4th May 1864, No. 1,284.

1. In the scheme for the re-organization of the Public Works Department sanctioned in Proceedings No. 1,599, dated 18th June 1863, provision was made for the following Special Establishment of Officers and Subordinates, to be employed in working out the details of important projects, and in supervising the execution of large works where the regular Establishment was insufficient:—

- 2 1st Class Executive Engineers.
- 2 3rd Do. Assistant do.
- 1 3rd Do. Sub-Engineer.
- 1 1st Do. Supervisor.
- 4 2nd Do. do.

2. On a re-consideration of the subject, the Government were of opinion that so large an Establishment as that abovementioned was not *immediately* required, and as it appeared necessary to provide for certain charges which had been omitted in the Statements embodied in the Order of the 18th June, the Government in Proceedings No. 1,646, dated 23rd idem, accorded sanction to the entertainment of the following reduced Establishment:—

- 3 Special Executive Engineers.
- 1 Supervisor, 1st Class.
- 1 Do. 2nd do.

3. Since the issue of these orders, urgent applications have been received from some of the Superintending Engineers for increased Executive agency for employment on special charges, and as it has been found impracticable to comply with these applications under the present very limited constitution of the Department, the Governor in Council is of opinion that the time has arrived for reverting to the scale of Establishment (special) originally proposed, and he accordingly grants authority for the employment of one Assistant Engineer, 3rd Class, and four Supervisors, 2nd Class, (which will complete the numbers of the Establishment sanctioned on the 18th June 1863), their salaries and allowances being defrayed from the allotment in Part III of the Budget, which has been found sufficient to bear the charge.
