*Proceedings of the Madras Government, Public Works Department,
4th May 1864.*

No. 84. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 30th April 1864, No. 6,587 :—

SIR,

Proceedings of Government No. 1,200,
dated 28th June 1861.
1 Indent.

1. In June 1861 Government were pleased to offer for use in the Madras Pier Works, five 5-ton Cranes, but as they were not then wanted no application was made for them. I have however now received the accompanying Indent for six small Cranes for the Pier, and I recommend that the requisition should if possible be complied with.

2. One of the said Cranes, I observe, is standing in the Abercrombie's Battery, and I should be glad if delivery thereof could be made at once to the Superintendent of Marine.

No. 85. ORDER THEREON, 4th May 1864, No. 1,285.

1. The Governor in Council sanctions the issue of six small Cranes from the Public Works Store Department for use on the Madras Pier.
2. The Crane referred to in the last paragraph of the foregoing letter cannot be spared.
