Proceedings of the Madras Government, Public Works Department, 6th May 1864.

No. 107. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Masulipatam, 18th April 1864, No. 88:—

SIR,

1. I have the honor to request permission to appropriate the sum of Rupees 1,275 for the maintenance of road from Bezwadah and Ibrampatam, and Rupees 4,200 for that of 42 miles of Trunk Road No. 7 between Copperpaud and Pondigul, which are included in the Memorandum of works allowed in the Budget for 1864-65 for which Estimates are required.

2. With reference to the former amount I beg to explain that the maintenance grant for the portion of road between Bezwadah and Ibrampatam was originally allowed in G. O. No. 458, dated 13th March 1858, before it was put in good order. An Estimate for its repair, Rs. 11,230, was sanctioned in G. O. No. 125, dated 4th February 1862, and the Government directed that the maintenance allowance would be suspended during the progress of the work, and that an application for a fresh grant should be made on its completion.

3. Accordingly, the maintenance grant has been suspended in 1862-63 and 1863-64, and as the work approaches completion, it requires to be renewed during the ensuing year. The expenditure has been as follows:—

	Rs.
Expenditure to end of 1862-63	6,937
Do. in 1863-64 to 31st March 1864 (Income Tax Budget)	2,000
Do. do. Imperial, G. O. No. 492, dated 18th February 1864...	291
	9,228

4. In addition to the transfer of 1,000 Rupees authorized in G. O. No. 492, dated 18th February 1864, it is probable that 1,000 Rupees more can be expended during the current month, and when this is known for certain, application for sanction for its transfer from allotment to Trunk Road No. 6 will be made.

5. As regards Trunk Road No. 7, Rupees 3,000 were allowed for the maintenance of 30 miles* that had been completed from the Nellore frontier towards Pondigul. The completion of the remaining 30 miles was resumed in 1862-63, and it has been reported by the Range Officer that 12 miles will be ready by the end of this official year.

* G. O. No. 1,436, 25th July 1857.

6. I would, therefore, solicit sanction for a proportional addition to the maintenance allowance or in all for Rupees 4,200 for the ensuing year.

No. 108. ORDER THEREON, 6th May 1864, No. 1,298.

Under the explanation afforded in this letter the Governor in Council resolves to authorize the appropriation of the following maintenance grants provided for in the Budget of 1864-65, Part II, Kistna District:—
