Sir,

With reference to your Official Memo. dated 22nd Instant I have the honor herewith to forward a Statement shewing the manner in which the grant of Rupees 78960 for Auxiliary Buildings for the Artillery at Bellary has been allotted with the probable expenditure during the Current year and the amount likely to remain unexpended on the 30th Instant.

2 In the Column of Remarks, I have quoted the Order sanctioning the estimates and allotting funds for the works

3 Captain Fisher's revised estimates were checked and corrected in my Office which accounts for the discrepancy between the amounts entered in his Statement and those submitted by me to Government for sanction and approval.

4 Revised estimates amounting together to Rupees 22,440 for a New School Room and Room for a Roman Catholic place of worship at Bellary were approved of in Order No. 362 dated 3rd February 1864, the amount of the original estimates

Rupees

Rupees 18080 having been allotted for expenditure in Order No. 75 dated 9th January 1864.—

5 Estimates for items Nos 12 and 13 have not yet been received from Captain Fisher.

6 On the receipt of Order No. 1143 dated 6th Instant I immediately informed Captain Fisher that no more buildings for the Artillery were to be commenced until further orders, and I have requested the Quarter Master General to inform me whether buildings of a permanent nature were to be completed at Bellary for a Battery of Horse Artillery or for a Light Field Battery.

I have honor to be,

Sir,

Your Most Obedient Servant.
