*Proceedings of the Madras Government, Public Works Department,
6th May 1864.*

No. 132. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Coonoor, 22nd April 1864, No. 396 :—

SIR,

1. With reference to the Income Tax Fund Budget of 1864-65, sent up with my letter
No. 390 of 20th instant, I venture urgently to request that the accompanying Estimate may find
a place in the Coimbatore List to which it would add only Rupees 2,150, to the previous total of
Rupees 16,210, a most insufficient sum for a District which is so badly off for Local Funds. It
is for providing with covered drains that portion of the Trichinopoly and Wellington road between
Avenashy and Tirpoor, as has been done for the portion between Tirpoor and Konghiem this
year, and is proposed to be done in 1864-65 between Konghiem and Caroor, and between Aven-
ashy and Annoor.

2. It would be a pity to leave unimproved this small section of the same Military road
and important Railway feeder, which is being put into better order elsewhere. I entered the
item originally in my Imperial Fund Budget, but without success, and hope I shall be more
fortunate now.

No 133. ORDER THEREON, 6th May 1864, No. 1,310.

The Estimate of Rupees 2,150 for constructing tunnels on the road between Avenashy and
Tirpoor, in the Coimbatore District, is sanctioned for entry in the Income Tax Budget for 1864-65.
