No. 197. From Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R.E., Secretary to Government, Public Works Department, dated Madras, 21st April 1864, No. 6,424:—

SIR,

1. I have the honor to submit for the sanction of Government a Plan and Estimate, amounting to Rupees 1,350, which has been prepared at the requisition of the Judge of the Court of Small Causes in Vellore for alterations and improvements to the building at present occupied by him as a Court House.

2. The Estimate provides for the removal of a partition wall in the upper story of the building, and the construction of three arches so as to form one large room in lieu of the two narrow ones which are ill adapted for their present purposes.

3. An audience room will also be formed by placing a railing, where a partition wall now stands, between the hall and southern room. Allowance has also been made for repairing and whitewashing the building. As the Acting Judge is desirous of having the work done during the coming vacation, I recommend that the Estimate be authorized for execution early next month from the Reserve Fund of 1864-65.
