Calcutta, 23d. February 1864.

No. 4093

From The Offg. Chief of the Military Finance Department.

To The Controller of Military Finance Madras.

Sir,

I have the honor to acknowledge the receipt of a Copy of your Circular No. 20, dated 25th. January 1864, addressed to all Paymasters, and with reference to para 4 regarding the rate of pay to be passed to Regimental Officers below the rank of Lieutenant, who may be holding Staff Appointments, I would observe that the question has already been referred to Government, and the decision will be communicated to you in due course. I am however, of opinion that Regimental Ensigns holding Staff situations are entitled to the Staff Corps pay of Lieutenants, if their service exceeds three years, the period requisite for admission to the Staff Corps. —

With

2. With reference to para 5 of your Circular regarding the adjustment of Pay Roster of Regimental Officers, I would point out that the ruling therein laid down, even when first published, applied only to Regimental Officers in Civil Employ, and not to those holding Military Staff Appointments, the whole of whose pay and allowances are debitable to the Department in which they are serving.

3. From the accompanying Copy of Financial Resolution No. 891 of 11th February 1864, it will be seen that the ruling in the case of Regimental Officers in Civil employ has been reversed, and the total pay and allowances of Military Officers so employed will now be debitable to the Civil Department.—

4. The Presidency Rate of House Rent referred to in para 1 of your Circular is sanctioned only to Officers filling any of the Appointments enumerated

in

in G.G.O. No. 156. A, of 13th October 1863.

I have &c.
