Proceedings of the Madras Government, Public Works Department, 12th May 1864.

No. 256. Read the following letter from Captain T. E. GAHAGAN, R. E., Acting Superintending Engineer, 5th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Salem, 28th April 1864, No. 2,569 :—

SIR,

ACTUALLY DUE.	RS.
* Conservancy Establishment ...	330
Petty Repairs	10
Total ...	340
PROBABLE OUTLAY.	
† Conservancy Establishment ...	660
Petty Repairs	60
Total ...	720

1. With reference to G. O. No. 1,033 of the 12th instant, I find that for the current year Rupees 340* must be provided, and for 1864-65 Rupees 720†, to meet the cost of conservancy and petty repairs for the drainage works at Bangalore.

2. I can meet the current year's requirements by small transfers (to be reported hereafter for the sanction of Government) from different repair allotments of the Division.

3. For 1864-65 a special grant will, I trust, be made by Government.

No. 257. ORDER THEREON, 12th May 1864, No. 1,370.

1. The cost of the Establishments referred to cannot be charged to the head of "Repairs," but the outlay of 10 and 60 Rupees respectively in the past and present official years being for *bonâ fide* repairs might be met from savings under that head.

2. As the cost of the Establishments referred to is small, it seems unnecessary to obtain sanction for a special grant. The Controller and Auditor of Public Works Accounts will pass the charge against the general allotment for Establishments.

No. 1370 301

The cost of the Establishments referred to cannot be charged to the head of "Repairs," but the outlay of 10 and 60 Rupees respectively in the past and present official years being for bona fide repairs might be met from savings under that heads.

As the cost of the Establishment referred to is small, it seems unnecessary to obtain Sanction for a special grant. The Controller and Auditor of P.W. Accounts will pass the charge against the general allotment for Establishments.
