339-341		
Dated 16 — 5 —	18 64	

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 16th May 1864.

Read the following letters:—

No. 339. From Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Camp Madanapully, 21st April 1864, No. 328.

SIR,

1. In Order No. 3,371, dated 18th September 1863, Government sanctioned Rupees 500 for a well to be sunk for the use of the Horse-keepers, Grass-cutters, and Camp followers attached to the two Batteries of Artillery at Bellary.

2. The work has proved a great success, and a very large supply of water is now obtained from the well, so much so that it can also be made available for the Artillery horses, whilst the well from which they are now watered will be of great assistance in supplying the European Regiment.

3. The sum of Rupees 500 will not however be sufficient, and in anticipation of the approval of Government I have authorized Captain Fisher to proceed with the work, as any excess over that amount can be met from the sum of Rupees 3,005 sanctioned in Order No. 102, dated 12th January 1864, for a well in front of the Hospital at Bellary, of which not more than Rupees 1,500 will be expended during the current official year.

---

1. The Superintending Engineer, 3rd Division, is requested to furnish a copy of the Proceedings of Government allotting Rupees 3,005 for a "well in front of the Hospital at Bellary."

No. 102, 12th January 1864.

2. In the Order marginally noted and quoted in paragraph 3 of this letter no funds were sanctioned by Government for the execution of this work.

Chepauk,
27th April 1864.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

No. 340. From Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Camp Guvalecherru, 7th May 1864, No. 2.

SIR,

1. With reference to your Official Memorandum, dated 27th ultimo, I have the honor to inform you that the sum of Rupees 3,005, alluded to in paragraph 3 of my letter No. 328, dated 21st idem (herewith returned as requested), is the amount of Captain Fisher's Estimate for one of the wells sanctioned in Order No. 102, dated 12th January 1864. This Estimate will be forwarded on the receipt of Plans and Estimates for the channel sanctioned in lieu of two wells, in Order No. 708, dated 8th March 1864.

2. With regard to the additional amount required for the Grass-cutter's well, referred to in my letter above quoted, I have the honor to inform you that until the work is completed, it is impossible to state the exact amount that will be required in excess of the sum of Rupees 500 originally sanctioned; but as soon as the total expenditure is ascertained, I shall again address you on the subject.

No. 341. ORDER THEREON, 16th May 1864, No. 1,410.

1. Communicated to the Military Department.

2. The Government will await the receipt of the further communication promised by the Superintending Engineer, 3rd Division, in paragraph 2 of his letter, dated 7th May, recorded above.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
