*Proceedings of the Madras Government, Public Works Department,
5th April 1864.*

No. 117. Read the following Official Memorandum from the Superintending Engineer, 1st Division, dated Camp Dowlaishweram, 22nd March 1864, No. 2,378:—

No. 371 of 4th February 1864. 1. With reference to Order of Government as per margin, the Plan and Estimate for the construction of the Apothecary's house at Cocanada, together with the necessary instructions regarding its erection, were handed over to C. Chellamiah by the Executive Officer of the Range.

2. C. Chellamiah now refuses to be guided in any way by the Plan and Estimate, and states that 10 Rupees per mensem, the amount to be paid as rent by the Apothecary, is such a small amount that he is unwilling to spend as much as the Estimate amounts to.

3. The above is communicated for the information of Government, who will doubtless be addressed on this subject by the Board of Revenue.

(Signed) O. W. S. CHAMBERS, Lieut.-Colonel, R. E.,
Superintending Engineer, 1st Division.

Order in the Public Department 12 May 1864

C. Chellamiah, it now appears, unwilling to incur the cost of Rs. 266, estimated for the erection of a suitable house for the Assistant Apothecary at Cocanada, in the terms specified in the Proceedings of the Board of Revenue, 9th January 1864, para 3. Orders will therefore be issued in the Department of Public Works for the construction of the building.
