MILITARY DEPARTMENT

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Fort Saint George, 2nd May 1864, No. 4455,
to the Secretary to Government, Military Department.

Forwarded to Government for sanction, with the approval of His Excellency the Com-
mander-in-Chief.

From the Officer Commanding Centre Division, Head Quarters, Madras, 23rd April 1864,
No. 592; to the Quarter Master General, Fort Saint George.

At the recent inspection of the Royal Artillery, Saint Thomas' Mount, it was brought to
my notice that the Chunam floor of the Army School was broken up into an impalpable dust
by the feet and shoes of the pupils, and required thorough repair. I thought in the first instance
of proposing that mats should be put down after the repairs were effected to prevent a recur-

rence of damage from the same cause: but on re-consideration of the
matter, I have called for an Estimate for Asphalt flooring which
I now submit for the approval of His Excellency the Commander-
in-Chief and for submission to Government. I think it preferable as
it can be washed and does away with the necessity of mats which would harbor vermin, is
more lasting than Chunam and, therefore, more economical in the long run, the latter being most
objectionable and any material is preferable to it.
