*Proceedings of the Madras Government, Public Works Department,  
20th May 1864.*

No. 479. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 10th May 1864, No. 71 :—

SIR,

1. In the Appendix to Part II of the Budget of 1864-65, Trichinopoly District, opposite the item of further maintenance grant for road from Trichinopoly to Salem for the second Range as far as Terriore Rupees 1,100, is entered the remark " Estimate will be considered by Government shortly," and in the Order of the 6th February 1864, No. 381, this sum is deducted from the Budget as not sanctioned.

2. In Government Order No. 19 of the 5th January Rupees 1,100 were sanctioned as annual maintenance allowance for the first eleven miles of this new road which had been completed for traffic and the grant has been entered in the Budget of 1864-65. The second portion of eleven miles in No. 2 Range had not then been formed, but I have since had a letter, dated 29th ultimo from Mr. R. C. Fraser, the Assistant Engineer in charge, reporting that this section of the Salem road would be open for traffic on the 1st May, and as the returns show a daily number of 150 bandies travelling on portions of the line, I beg that this sum of Rupees 1,100 provisionally entered in the Budget may be sanctioned for outlay.

No. 480. ORDER THEREON, 20th May 1864, No. 1,477.

Under the circumstances represented by the Superintending Engineer, 6th Division, the Governor in Council grants authority for the sum of Rupees 1,100 provisionally entered in the Budget for the maintenance of the road from Trichinopoly to the Salem frontier as far as Terriore being expended upon that work during the current official year.
