Proceedings of the Madras Government, Judicial Department,
16th May 1864.

No. 132. Read the following letter from V. H. LEVINGE, Esq., Magistrate of Madura; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madura, 7th May 1864, No. 127.

With reference to paragraph 3 of the Order of Government, No. 462, dated the 5th April, I have the honor to report that I approve of the proposal that the Tahsildar and District Moonsiff should interchange Cutcherries, and that I have ascertained from the Civil Judge that he has no objection to raise.

2. The only alteration required will be the construction of a secure Treasury in the building proposed to be converted into the Taluq Cutcherry.

3. I am of opinion the Police Station-house should be formed in the Jail, which can be effected at a small outlay, which plan will effect a saving in the number of Police guards.

4. The cost of the alterations mentioned in paragraphs 2 and 3 can probably be met from the sale proceeds of the old Station-house, for the sale of which by auction I request sanction.

5. The Joint Magistrate brings to notice that the proposed Jail besides having windows is thoroughly ventilated along the entire roof on both sides, so that it could easily afford accommodation to double the number of men estimated by Mr. Rohde, which was 64. It is probable Mr. Rohde was not aware of these ventilators, otherwise he would not have given the opinion which served as a guide to Government to sanction the Jail for only 70 or 80 convicts when it could easily hold 100.

No. 133. ORDER THEREON, 16th May 1864, No. 705.

As it appears from the foregoing letter that the Magistrate of Madura approves, and the Civil Judge sees no objection to the arrangement, the Governor in Council authorizes the interchange of Cutcherries between the Tahsildar and District Moonsiff at Dindigul. A Treasure room should be provided for the Tahsildar.

2. Orders have been passed in Proceedings of the 28th ultimo, No. 614, on the points noticed in paragraphs 3 and 4 of Mr. Levinge's letter. The last paragraph will be communicated to the Inspector General of Jails.
