Proceedings of the Madras Government, Public Works Department,
21st May 1864.

No. 515. Read the following Endorsement of the Superintending Engineer, 8th Division, dated Madura, 16th May 1864, No. 184:—

Read the following letter from Major W. SYME, Superintendent of Operations, Paumben, to Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, dated Paumben, 9th May 1864.

SIR,

With reference to Mr. Smith's letter about my bill, and as Colonel Walker might wish to meet me, I should esteem it a great favour if you would apply to him to forward me the papers, and names of vouchers required, for with what papers I have with me I will, I hope, be able to answer them satisfactorily. I can do no good after such a lapse of time by going to meet Mr. Smith. Mr. Smith wrote to me on the 4th of November last, to say that the bill was ready, and he was forwarding it when I handed over charge; Mr. Smith spoke so confidently that there could be no mistake that I thought no more about it except that I have written to him several times since, but can never get an answer out of him.

Submitted for the information of Government, with reference to their Proceedings, No. 1,230, dated 29th April 1864.

Superintending Engineer, 8th Division.
