Mis.*517-518*Dated *23-5-18* 64Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
23rd May 1864.*

Read the following papers:—

No. 517. From Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 27th April 1864, No. 406.

SIR,

1. I have the honor to submit for sanction of Government and provision of the necessary funds from the Reserve of 1864-65, the undermentioned Estimates for Judicial buildings in the Malabar District, viz.:—

	RS.
1. New Court House for the Nedinganaad Moonsiff ...	1,700
2. Addition to new Court House at Ponany for the accommodation of Vakeels, &c. ...	1,100
3. Addition to Aulatoor Court House for accommodation of Vakeels, &c. ...	850
Total ...	3,650

2. The Court House hitherto in use by the Nedinganaad Moonsiff is stated by the Supervisor in charge of Palghaut Range (a most competent judge) not to be in the dangerous state which the Moonsiff and Vakeels have reported, and in consequence of which their work is now done partly in the new and partly in the old Travellers' Bungalow at Waniencolum. But he reports it to be a very old building, too contracted in size for its purpose, and most objectionably situated, both locally and with reference to the Moonsiff's judicature; on all which grounds the Civil and Sessions Judge called for a new building in a better locality. The site now chosen is stated by Mr. Smither to be on the south side of Trunk Road No. 5, close to a bazaar, adjacent to the Railway station, and at the junction of the chief roads of the Taluq. Access to the present Court being across paddy fields, a road through which together with the patching up of the old building would actually cost more than the new one now proposed, there is no question as to the proper course to be adopted. The Standard Plan and Estimate do not need countersignature by the Judge, on whose direct requisition they have been prepared.

3. Nos. 2 and 3 are fully vouched for by him, and call for no remark on my part.

Referred to the Judicial Department.

No. 518. Memorandum from A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Judicial Department, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 10th May 1864, No. 243.

The Chief Secretary has the honor to return the letter noted in the margin, together with the Plan and Estimates which accompanied it, and to inform Colonel Orr that he sees no objection to the plan for a new Court House for the District Moonsiff of Nedinganaad in the Malabar District.

No. 519. ORDER THEREON, 23rd May 1864, No. 1,497.

The Governor in Council sanctions the Estimate amounting to Rupees 3,650, submitted with the letter from the Superintending Engineer, 7th Division, recorded above, and directs that the cost of the works be met from the current year's Reserve.*

 Madras

Sir, I have the honour to submit for
 consideration of Government and pro-
 vision of the necessary funds
 from the Reserve of 184/65 the undermen-
 tioned Estimates for Judicial Buildings
 in the Malabar District viz
 1. New Court House for the Bedinga-
 naad Moonsiff — Rs. 1700
 2. Addition to new Court House at
 Kanyak for the accommodation of the
 Bedinga — Rs. 1100
 3. Addition to Malabar Court House
 for accommodation of Wacheels — Rs. 850
Total Rupees — 3650

The Court House hitherto in use by
 the Bedinganaad Moonsiff is, stated by
 the Supervisor in charge of Palghat
 Range, to be in a most deplorable state which
 not to be in the dangerous state which
 the Moonsiff and Wacheels have reported,
 and in consequence of which their work
 is now done partly in the new and
 partly in the old Traveller's Bungalow
 at Maricolum. But he reports it
 to be a very old building, too contracted
 in size for its purpose, and most
 objectionably situated, both locally, and

with reference to the Hon. Mr. Justice's
 decision; on all which grounds the Civil
 and Sessions Judge called for a new
 building in a better locality. The site
 now shown is stated by the Smiths to
 be on the South side of Tank Road 1/2
 close to a Bazaar, adjacent to the Rail-
 way Station, and at the junction of
 the chief roads of the Taluk. Access to
 the present Court being across Paddy
 fields, a road through which together
 with the patching up of the old building
 would actually cost more than the
 new one now proposed, there is no
 question as to the proper course to be
 adopted. The Standard Plan and
 Estimate do not need counter-signa-
 ture by the Judge, on whose direct
 requisition they have been prepared.
 Mr. Land is fully vouch-
 ed for by him, and call for no re-
 mark on my part.

Thank the hon. Mr. Justice,

Sir,

Yours most Obedt. Servt.
