Proceedings of the Madras Government, Public Works Department, 23rd May 1864.

No. 524. Read the following Memorandum from Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 9th May 1864, No. 88:—

From Major W. SYME, Acting Superintendent of Operations, Paumben, to Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, dated Paumben, 16th April 1864, No. 131.

Sir,

1. With reference to the Order of Government No. 1,520, dated 12th June 1863 sanctioning the Establishment for the Officer in charge of the works at Paumben under the authority conveyed in Proceedings dated 5th June 1863, No. 1,432, which Order is not in this Office.

2. I have the honor to request you will inform me, if the order extends to next year or not, if not I request you will obtain sanction for the same Establishment for next year.

3. I also wish to bring to your notice that the pay is not sufficient for the Lascars, and it is with the greatest difficulty I can get men to come for that pay. Rice is now selling at 6½ measures for a Rupee, and these men can make generally 8 Annas a day by working in the Channel, warping vessels through, &c., under these circumstances might I request their pay be raised to 7½ Rupees each.

Submitted for the favourable consideration of Government, with a recommendation that under the circumstances represented by Major Syme, his request to raise the salaries of the Lascars may be complied with.

(Signed) F. J. MOBERLY, Captain, R. E.,
Superintending Engineer, 8th Division.
