No. 529. ORDER THEREON, 23rd May 1864, No. 1,503.

G. O. dated 13th May 1864, No. 1,400. It is observed that the Government of India have struck out of the Imperial Budget the Estimate for enclosing the Esplanade at Madras and for constructing a Band Stand. The assignment from the Income Tax collections having been considerably reduced, it has been found practicable to provide for the former work only from that source, and the construction of the Band Stand must therefore be deferred until funds can be made available for the work.
