*Proceedings of the Madras Government, Public Works Department,
25th May 1864.*

No. 566. Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department dated Krishnapatnam, 12th May 1864, No. 25 :—

SIR,

1. I have the honor to request that I may be informed whether any, and if so, what orders have been passed on the second point referred to the Consulting Engineer, Madras Irrigation and Canal Company, for report in the Proceedings of Government, Public Works Department, No. 2,557, dated 4th September last.

2. I ask the question because I have received for attestation, the Plans of the first Section of the Company's Canal in this District, and without the services of a Surveyor the Deputy Collector in charge of the Zemindari tracts, who is to be detailed for the purpose of handing over the lands required by the Company here, may perhaps find some difficulty in examining and attesting the correctness of the Plans.

3. He has been instructed to take the matter in hand at once, and, in furnishing his report, state how far he considers it may be depended on.

No. 567. ORDER THEREON, 25th May 1864, No. 1,521.

The Collector of Nellore will be furnished with a copy of Major General Ludlow's letter No. 59, dated 8th September 1863, intimating that the services of an additional Surveyor will not be necessary for the survey of land required by the Irrigation Company in the Nellore District.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Collector of Nellore, with G. O. No. 2,736 of 1863.
