30th May 1864.

No. 630. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Chittoor, 22nd May 1864, No. 372 :—

SIR,

In the Proceedings of Government Public Department, No. 1,252, dated 16th November 1863, which accompanied their orders in the Public Works Department of the 20th idem, No. 3,474, sanction was given for the entry in the Budget of this year of an Estimate Rupees 10,350 for dividing the grounds of the Medical College and General Hospital by iron railings, and for laying out and planting the ground on the river side at the Presidency; no provision for the work has, however, been made therein, and I have therefore the honor to request that funds may be granted for the immediate execution of the Estimate from the Reserve under the head of "Civil Buildings," it being desirable that the improvements in question should be carried out as soon as possible.
