Read the following :—

No. 141.
List of Bill received from the Superintending Engineer, 4th Division, for work executed on emergency in the Madras District, submitted for the sanction of Government.

Audit No.	Date of Bill.	Description of work.	Amount.	To what year expenditure appertaining.	Date when received.	Remarks.
89	May 30th 1861.	Certain improvements and additions to the out-houses, &c., attached to the Government House at Guindy Park including the Bungalow occupied by the Military Secretary.	190 10 7	1860-61. ...	9th May 1864	<p>The work was executed on emergency in 1860, and the authority under which the same was carried out cannot now be traced in the records of the late District Engineer</p> <p>The cause of delay in the submission of the Bill in question is stated by the Superintending Engineer, 4th Division, to be attributable to a number of other Bills of long standing received from the late District Engineer's Office having to be examined and disposed of by him. He is unable even to furnish the usual certificate of completion, as he states that the work was done so far back as in 1860 that it is impossible for him to do so at this distance of time.</p> <p>Under these circumstances the accompanying Bill is submitted for the sanction of Government.</p>
