*Proceedings of the Madras Government, Public Works Department,
31st May 1864.*

No. 692. Read the following letter from Lieutenant-Colonel F. H. SCOTT, Quarter Master General, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, Fort Saint George, dated 25th May 1864, No. 5,201:—

SIR,

1. I have the honor, by Order of His Excellency the Commander-in-Chief, to state in reply to paragraph 2 of Order No. 1,400, dated 13th instant, that there is no source whatever which can supply the means for building Latrines for Native Troops except the Reserve Fund of the Budget; for, being under 2,500 Rupees in cost, they are by Rule excluded from the main Budget List of sanctions; and there is no Cantonment Fund any where in this Presidency, designed to meet such a charge, and which in fact could do it even in part.

2. Referring to paragraphs 8 and 9 of the Order, His Excellency observes that there is more than a lac of Rupees surplus in the Trichinopoly grant. The sum for that place is set down at 1,19,800 Rupees. But the only items sanctioned or now needed are for the Parcherry 19,800 Rupees and the new Grand Magazine 20,000 Rupees. The Ordnance buildings Government negatived in Proceedings of Government No. 1,253, dated 14th ultimo, and as the Infantry Barracks are not needed, the lac is saved. But in order that the whole sum of 1,19,800 may be employed in one Cantonment or another, His Excellency proposes to appropriate it as follows:—

		Rs.
Trichinopoly....	For Parcherry. Sanctioned	19,800
	" New Magazine, do.	20,000
	" Artillery do. do.	3,240
	" do. Family Quarters, do.	13,000

	Ulsoor Water Supply (additional)	10,000
	Commissariat Malt Liquor Godown	3,000
Bellary.....	Artillery buildings for one Battery and minor works, needing money	20,000
Total ...		1,19,040

No. 693. ORDER THEREON, 31st May 1864, No. 1,583.

1. Paragraph 1 of this letter will be referred to the Military Department with reference to Public Works Proceedings No. 1,400, dated 13th May 1864, paragraph 2.

2. With reference to paragraph 2 it is observed that in Proceedings of the Military Department No. 1,762, dated 25th May 1864, the removal of the Parcherry at Trichinopoly was finally determined upon. The amount that will therefore be available for re-appropriation from the provision* made in the Supplemental Budget for Barracks for a Wing of British Infantry at that Station, is Rupees one lac. This saving His Excellency the Commander-in-Chief proposes to utilize as follows:—

		Rs.
Trichinopoly:	1. For New Magazine	20,000
	2. Artillery do.	3,240
	3. Do. Family Quarters	13,000
Bangalore.	4. Sapper buildings... ..	30,000

† Procs. 4th May 1864, No. 646.

The expenditure from that grant has been Rupees 3,945. It will be necessary therefore to provide only for the balance† of the Estimate from the available saving.

‡ Rupees 16,055.

*Proceedings of the Madras Government, Public Works Department,
31st May 1861.*

4. As regards the assignment for the Sapper Barracks at Bangalore, it is observed that the Government in Proceedings No. 1,451, dated 18th May 1861, expressed their readiness to apply to the Government of India for authority for the diversion of funds on the receipt of the necessary Plans and Estimates which will, therefore, be awaited.

5. The proposal to increase the Budget grant of Rupees 21,000 for the Ulsoor Water Supply project by the transfer of Rupees 10,000 from the saving referred to in paragraph 2 *supra*, is approved.

6. A Plan and Estimate has been called for in a separate Order for the Commissariat Malt Liquor Godown.

7. The subject of providing funds for the proposed Artillery buildings at Bellary, for which Estimates do not appear to have been received, will be considered in the Military Department.

8. The works noted in the margin not having appeared in the current year's Budget, application will be made to the Government of India for permission to carry them out.

9. The Quarter Master General will be requested, in future, when referring to sanctioned works, to quote invariably the dates and Orders of Government sanctioning them, as it is often difficult to trace the particular works to which allusion is made.
