MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From Lieutenant Colonel E. E. Miller, Deputy Commissary General, for the Commissary General, Madras, 10th May 1864, No. 77; to the Secretary to Government, Military Department, Fort Saint George.

As directed in Order of Government, No. 1450, of 29th April 1864, paragraph 3, I have the honor to report.

2. That no additional cover for Malt Liquor will be required at Bangalore, so long as the Executive Commissariat Officer there is allowed to retain the Light Cavalry Barracks which have been placed at his disposal, and which, being 13,050 square feet in area, are sufficient for the purpose.

3. Should however these Barracks be required for the Sappers and Miners, there will only remain to the Executive Officer two Godowns in the whole Karkhana Lines, in which are stowed Benches, Cots and all other Barrack articles.

4. Malt Liquor, Arrack, Tea and Hospital Clothing, &c, are all kept in the aforesaid Cavalry Barracks. If therefore they are to be given up, this Department must be provided with about 10,000 square feet Godown room elsewhere.

5. By the order under report, it would seem that His Excellency the Governor anticipates that less cover for Malt Liquor will be required consequent on the discontinuance of brewing from Grainstone, and the anticipated early openings of the Railway to Bangalore.

6. It must be remembered however, that the brewing has been carried on in part of the Cavalry Barracks, so that the abolition of the Brewery will place no additional space at the disposal of the Commissariat.

7. Nor will the completion of the Railway be of much benefit in that particular as the Store-keeper General at the Presidency is so straitened for Godown room that he is obliged to despatch to Bangalore as much Arrack and Malt Liquor as the Executive Officer there can provide cover for.

ORDER, No. 1739, 21*st May* 1864.

Communicated to the Commander-in-Chief, (Quarter Master General's Department) and Department Public Works, with reference to Proceedings of Government marginally noted.

No. 1450, *dated* 29*th April* 1864.
„ 1606, „ „ 10*th May* „

2. Provision will accordingly be made for the erection of the Building required by the Commissariat Department, for storing Malt Liquor at Bangalore.
