ot to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 4th June 1864.

No. 90A. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 31st May 1864, No. 306 :—

SIR,

1. I have the honor to bring to the notice of Government that in Order of the 19th January 1864, No. 93, I was authorized to appoint a person permanently to the late Supervisor Kistniah's substantive post of Táluq Overseer. On this authority I nominated T. R. Rungasawmy, and reported the same in letter No. 2,178, dated 18th March 1864.

2. The Controller and Auditor of Public Works Accounts returned the Sub-Overseer's abstract unaudited for March, but on my pointing out to him, on the 16th April, the authority on which I made the appointment, it appears he passed the Overseer's salary.

3. Subsequently the pay for April was again struck out by the Controller, and on my referring the matter to him and pointing out that, though the Overseer's appointment was in excess of the allotment of nine for the Tanjore District, yet it appeared to me that Government had sanctioned Rungasawmy's employment in the Order quoted above, in reply, Lieutenant-Colonel Wilkeson requested me to apply again, as Superintending Engineers were only empowered to appoint in case of actul vacancies existing.

Dated 21st April 1864.

No. 198, dated 25th May 1864.

4. Should Government not approve of the appointment, I beg that the Overseer's pay for April and May (his travelling allowance for the former months has already been passed in Captain Mullin's abstract) may be disbursed to him through the Controller as a special case and from the beginning of June I can appoint the Overseer permanently in Mr. Haye's place, who has been promoted to Supervisor in the North Arcot District.

G. O. No. 29, dated 7th April 1864.

No. 90B. ORDER THEREON, 4th June 1864, No. 1,631A.

1 The Orders of Government marginally noted conveyed no authority to the Superintending Engineer, 6th Division, to appoint a Táluq Overseer in excess of the number allotted for the Tanjore District. Captain Bean was simply informed that he was competent to appoint a person permanently to the late Supervisor Kistniah's *substantive* post of Táluq Overseer.

No. 93, dated 19th January 1864.

2. Before passing orders with reference to paragraph 4 of the foregoing letter, the Government desire to be furnished with a list of the Táluq Overseers employed in the Tanjore District during the period marginally noted, and the dates on which they were severally appointed. Opposite to the names of the Subordinates appointed subsequent to G. O. No. 1,599, dated 18th June 1863, the Superintending Engineer's letters reporting the appointments for the information of Government should be quoted.

March, April and May 1864.
