**Proceedings of the Madras Government, Public Works Department,
4th June 1864.**

No. 93. Read the following Memorandum from W. H. KERR, Esq., for Chief Secretary to Government, Ecclesiastical Department, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 23th May 1864, No. 274:—

The Chief Secretary has the honor to forward the letter noted in the margin, together with the Estimate which accompanied it for raising and levelling the new Burial Ground at Cochin, and to suggest that orders should be issued for the execution of the work, if funds are available.

From G. A. BALLARD, Esq., Collector of Malabar, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Tirurangadi, 14th May 1864, No. 52.

SIR,
1. I have the honor to submit an Estimate* forwarded by the Joint Magistrate of Cochin for raising the new Burial Ground at Cochin 3 feet all over.

Dated 21st April 1864, for Rupees 850.

2. The site was selected and enclosed as a place of interment in the year 1855. No other eligible ground was available. In the dry season no objection exists to the ground, but during the monsoon the coffins have to be lowered into graves full of water, and often cannot be got down more than 1½ or 2 feet, the water appearing almost immediately after the surface of the earth is broken and the nature of the locality precluding any effectual drainage.

3. I therefore request that the Estimate may be sanctioned as early as practicable to admit of the work being executed before the commencement of the monsoon.

No. 94. ORDER THEREON, 4th June 1864, No. 1,633.

1. The Governor in Council sanctions the Estimate amounting to Rupees 850 for raising and levelling the new Burial Ground at Cochin.
2. The cost of the work will be met from the Reserve under "Civil Buildings."
