Proceedings of the Madras Government, Public Works Department, 4th June 1864.

No. 112. Read the following Memorandum from the Superintending Engineer, 4th Division, dated Madras 25th May 1864, No. 398 :—

Read the following letter from Major E. J. LAWDER, Deputy Quarter Master General, to Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Fort Saint George, 2nd May 1864, No. 4,471.

SIR,

1. It having come to the notice of the Commander-in-Chief that no provision has been made in the Budget of 1864-65 for the erection of the two Expense Magazines in the north-east and south-east demi-Bastions for the Batteries on the sea face of Fort Saint George, the Estimates for which are understood to have been forwarded to you on the 20th March 1863, I have the honor by desire of his Excellency to request that Government may be moved to obtain sanction for the necessary expenditure during this year on the Magazines in question, the Commander-in-Chief being of opinion that they are essential, and should be erected without delay.

Accompaniments.

1 Letter No. 4,471, dated 2nd May 1864.

	RS.
1. Converting a portion of the north-east Curtain Casemates and the eastern Casemates of the southern Curtain in Fort Saint George into Expense Magazines...	3,660
2. Converting Casemates of the Flag Staff Redan into Ordnance Store rooms...	5,910
Total...	9,570

1. Submitted to Government for orders with a recommendation that funds may be at once granted from the Reserve under heading Military Buildings of the current official year for the execution of the two Estimates, as per margin, which accompanied the Superintending Engineer's letter of the 19th September 1863, No. 2,510, and upon which orders were passed in the Proceedings of Government No. 3,082, dated 23rd October 1863.

2. The items were included in the Budget lists 1864-65 submitted on the 31st October 1863, but they have been omitted in the printed Budget Lists received from Government.

3. The adapting of one of the Casemates to the purpose of a Reserve Magazine was proceeded with in anticipation of orders, as it was found convenient to work on it at the same time as the sea face Battery work progressed. The sum expended amounted to Rupees 771 which has been included in the outlay on the latter work, but the details have been kept separate so that the amount can be recovered on funds being allotted for the Expense Magazines.
