Proceedings of the Madras Government, Public Works Department, 6th June 1864.

No. 120. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 19th May 1864, No. 168;—

SIR,

1. Finding last year that a sum of Rupees 1,913-15-8 was outstanding in the accounts of the Godavery District, on account of Nagaram Aqueduct plant, of which Rupees 1,165-15-8 represented the original value of certain tools and articles, and Rupees 750 the value of a Bungalow, a Store-room, and an Office, I requested Mr. Rundall to transfer all the articles which were in good order to other works in progress and to sell off by auction those that were worn out and useless.

Rupees 500 Bungalow,
„ 150 Store-room.
„ 100 Office.

2. By the Statement annexed it will be seen that Rupees 744 worth of articles have been transferred, and that articles, originally costing Rupees 419-15-8 more, fetched at outcry Rupees 116-11-0, leaving a sum of Rupees 303-4-0 to be written off "to profit and loss," which I request the permission of Government to do.

3. I inspected the Bungalow, Store-room and Office, and found the two latter almost valueless, the materials of which they are built being worth probably not more than 15 or 20 Rupees, whilst the house, which is a cutcha one, standing on a piece of ground for which rent is annually paid by this Department, to the Zemindar, I estimated to be worth from 150 to 200 Rupees

4. Mr. Rundall offered to purchase it for 200 Rupees, which it is worth to him, being most conveniently situated in the centre of his Range, though it would fetch less if sold by auction; on taking over the Bungalow the payment also of the rent would devolve on him.

5. I recommend that his offer be accepted, and that the original value of the three buildings, after deducting 200 Rupees, be written off "to profit and loss."

750 — 200 = 550 Rupees.

6. This will give a total sum of Rupees 853-4-0 to be written off, and allow of the item noted in paragraph 1 of this letter, Rupees 1,913-15-8, being removed from the books of the Godavery District.

No. 121. ORDER THEREON, 6th June 1864, No. 1,647.

1. The Government authorize the sum of Rupees 303-4-0, referred to in paragraph 2 of this letter, to be written off to "profit and loss."

2. The proposals made in paragraph 5 are approved.
