Lieutenant Colonel J. C. Anderson R.E.
Superintending Engineer 2d Division

Sir

Owing to a reference being made to you requesting that I may be allowed to retain a large Cash balance at the end of last month, on account of my having applied for a very small sum in this, and being of opinion that if supplemental Estimates were forwarded, Sanction would not be received in time, and so cause great confusion at the close of the year and being too sure of my application being granted and not receiving an answer up to the 26th (after which Cheques could not be Cashed) I drew an amount of Rs 5000 but on receiving your reply on the 30th objecting to it I immediately deposited the amount with my cash chest in the Taluq Treasury of Kondukur and beg to be excused for my hasty proceeding which was done with an intention of not causing confusion and to pay for works of Kanigiry Road and Binganapully Tank which are in rapid Progress in which places I had Collected about 1000 Tank diggers and 300 Carts to Complete the sanctioned amount allotted by the 25th. The Amount in deposit will be expended within the 10th or 15th. I will also have to send supplemental Estimates for Cash this month as the above amount and that applied for in this month will be insufficient –

I beg to Remain
Sir
Your most Obedient Servant
