*Proceedings of the Madras Government, Public Works Department,
10th June 1864.*

No. 222. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 3rd June 1864, No. 646 :—

Sir,

1 Abstract Estimate.
1 Traffic Return.]

No. 2,779, dated 18th November 1862.
" 2,962, " 13th October 1863.
" 961, " 6th April 1864.

1. The first section of the Mylapore and Conatore road in the Madras District, six miles in length, and leading into the Presidency, adverted to in the Proceedings of Government noted in the margin, having been completed at a cost of Rupees 13,651, and opened for traffic, I have the honor to submit for sanction an Estimate amounting to Rupees 3,000 for its annual maintenance.

2. From the accompanying return it will be seen that the traffic over the line is very considerable, and that it is therefore necessary arrangements should at once be made to keep it in good order. I accordingly recommend that authority be given for the execution of the Estimate, funds for the purpose having been provided in the current year's Budget under the head "Communications," page 60 of Appendix.

No. 223. ORDER THEREON, 10th June 1864, No. 1,696.
The Estimate is sanctioned.
