SIR,

1 Plan.
1 Abstract Estimate.

1. With reference to my Memorandum No. 6,535, dated 27th April 1864, I have the honor to submit Plan and Estimate, Rupees 1,070, for constructing an under-tunnel across the Kudraikalpallam for the supply of certain lands in the Singadivakum village, Conjeveram Táluq, Madras District.

2. The Estimate has been framed at the requisition of the Collector by whom also it has been approved, and in the event of its being carried out an increase of Rupees 550 is expected in the yearly revenue derived from the lands of the village in question. I therefore recommend that funds for the execution of the work this year may be granted from the Reserve under the head "Agricultural."

As the work referred to in this letter promises to be highly remunerative, the Governor in Council sanctions the Estimate amounting to Rupees 1,070 for immediate execution from the Reserve under "Agricultural."
