Proceedings of the Madras Government, Public Works Department,
13th June 1864.

No. 263. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 1st June 1864, No. 592:—

SIR,

2 Abstract Estimates.

1. I have the honor to submit for the sanction of Government the accompanying Estimates for repairs to the following Irrigation works in the Madranticum Táluq, Madras District, the cost of which in each case is in excess of the highest revenue derived during the last four years:—

		Rs.
1.	Repairing the Mallangarany Tangle	305
2.	Repairing the Poondy Tank	190
	Total ...	495

2. Neither of these works have been repaired for several years, and the bund of the Mallangarany Tangle is so much reduced as to render its restoration absolutely necessary for the safety of the tank. In the case of the Poondy Tank the Range Officer reports that owing to its present condition a sufficient supply of water is not stored for the Irrigation of the lands dependent thereon, and that the revenue has consequently fallen to nearly one-half only of the assessment.

3. Under these circumstances I recommend that sanction be given for the execution of the Estimates (both of which have been approved by the Collector) from the sum Rupees 70,000 allowed in the current year's Budget for repairs to "Tanks."

No. 264. ORDER THEREON, 13th June 1864, No. 1,717.

The Estimates amounting in the aggregate to Rupees 495, submitted with this letter, are sanctioned from the source proposed by the Superintending Engineer, 4th Division.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 4th Division, with two Estimates.
" Accountant General.
