Proceedings of the Madras Government, Public Works Department, 17th June 1864.

No. 342. Read the following Proceedings of the Board of Revenue, dated 2nd June 1864:—

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Kurnool, 23rd May 1864, No. 84.

SIR,

1. I have the honor to forward an extract from a letter of the Superintending Engineer, stating that no funds have been allotted for the construction of the sanctioned Public Bungalows at Nandial, Chagahnary and Kodamoor, or of the Táluq Cutcherry at Koilguntla.

2. The last work is one of real urgency, as the records are not safe in the present most dilapidated building.

3. I trust also that funds may be found for the construction of the Bungalows at Nandial and Kodamoor, the former being especially wanted, as the advancement of the Railway to Cuddapah, and the construction of the road between that town and Nandial renders this the best route for travellers to Madras, along which line of road there is at present no accommodation in the shape of Public Bungalows

Ordered to be submitted for the consideration of Government.

No. 343. ORDER THEREON, 17th June 1864, No. 1,756.

1. It is observed that the necessary provision was made in the supplemental Public Works Budget of 1864-65 for the Táluq Cutcherry at Koilguntla, but as the Government of India have sanctioned only sufficient funds to admit of the Military works included in that Budget being carried out, the postponement of the Táluq Cutcherry and of other works of equal importance has been unavoidable.

2. So large a portion of the "Reserve" has been already appropriated, that the Government cannot trench on that source in order to provide the necessary funds for the erection of either the Koilguntla Cutcherry or the Public Bungalows referred to, more especially as the demands for incomplete works in the Presidency have yet to be met.
