Proceedings of the Madras Government, Public Works Department, 27th September 1864.

No. 567. Read the following letter from Lieutenant-Colonel F. H. SCOTT, Quarter Master General, to Colonel H. MARSHALL, Secretary to Government, Military Department, dated Head Quarters, Ootacamund, 12th September 1864, No. 327-8,475:—

SIR,

1. I have the honor by order of His Excellency the Commander-in-Chief, in reference to the Proceedings of Government No. 3,104, dated 3rd instant, intimating in the Public Works Department what measures had been ordered with respect to certain roads in this Presidency, to state that it does not appear that any action has been taken in regard to the road from Cuddapah viâ Moorcondah towards Secunderabad (vide paragraph 3 of my letter dated 4th April last), nor for the road beyond the Bellary frontier, direct to Secunderabad.

2. Direct and easy access from and to Secunderabad by these routes is of great importance, and His Excellency therefore suggests that the necessary steps to that end be taken.

3. When the rail between Cuddapah and Sholapore viâ Adony, &c., is completed, and a rail established between Sholapore and Secunderabad, that will be the way from Bellary to Secunderabad, but this cannot be looked for, yet for many years.

Transferred to the Department Public Works.
