No. 103. Read the following extract from the Proceedings of the Government of India, in the Financial Department, Simla, under date the 23rd August 1864, No. 2010.

Read Office Memorandum from the Public Works Department, No. 361A.-3733, dated the 10th August 1864, inquiring, with reference to Financial Resolution, No. 1374, dated the 20th July 1864, by whom charges on account of Government establishments for the supervision of expenditure for Railways should be audited.

RESOLUTION.—The Governor General in Council has already decided that charges on account of the above establishments under the Government of India shall be audited by the Civil Paymaster, and His Excellency in Council is now pleased to rule that charges for the like establishments under the Local Governments shall be audited by the Controller of Public Works Accounts, but in this and all other similar cases the audit should be against the "authorized establishments" which includes rates of pay as well as aggregate amount. As regards Office Contingencies, Government will trust to the fidelity of the Executive Officer, and the judgment of the Auditor, who will call for explanations, and, if necessary, report in case of unusual expenditure.

Ordered that a copy of the foregoing Resolution be sent to the Public Works Department, for information and further orders; also to the several Local Governments, and the Civil Paymasters of Bengal, Madras, Bombay, the North-Western Provinces, and the Punjab.
