Proceedings of the Madras Government, Public Works Department, 29th September 1864.

No. 624. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 23rd September 1864, No. 2,960 :—

SIR,

1. The Executive Engineer in charge of the Chittoor Range, North Arcot, has brought to notice that the following tanks and channels are in a very insecure state, and has strongly recommended that sanction should be given for the execution this year of the several estimates which he has submitted for their repair, viz.:—

5 Estimates.
2 Ayacut Statements.

	RS.
1. Repairing the bund of the Veeraganellore first class large tank in the Chittoor Táluq	540
2. Clearing out the Toddy Pully river spring channel in Toddy Pully river spring	90
3. Repairing the calingulah and irrigation channel of the Kadapanuthum village in the Palmanair Táluq	390
4. Restoring the Banumvaripully second class tank in do. ...	280
5. Repairing the bund of the Puttanam first class large tank in the Chittoor Táluq	780
Total ...	2,080

2. The Acting Collector has, on the grounds of their urgency, approved of the estimates being carried out this year, and as the funds allowed in the Budget for repairs to agricultural works in North Arcot have all been appropriated, and no savings on allotments have yet been effected, I have the honor to request permission to make the undermentioned transfers to meet the cost of the five works in question :—

Rupees 817. Balance remaining of Budget allotment Rupees 3,430, under the head "Civil Buildings" in North Arcot.
„ 35. Do. do. Rupees 6,565 under the head "Military" in do.
„ 1,228. From the balance Rupees 13,057 of the Budget allotment Rupees 30,400 for "Civil Buildings" at the Presidency.

Total Rupees 2,080.

3. I have been compelled to recommend the transfer of the last mentioned sum, Rupees 1,228 from the Presidency allotment, as the whole of the repair allotment under all heads of the North Arcot District has, with the exception of that for "Discretionary allowance for unmetalled roads" been availed of.

No. 625. ORDER THEREON, 29th September 1864, No. 2,825.

The transfers of funds recommended in this letter, with a view to provide for the repair of certain irrigation works in the North Arcot District, are sanctioned.
