Proceedings of the Madras Government, Educational Department, 23rd September 1864.

No. 59. Read the following letter from E. B. POWELL, Esq., Director of Public Instruction; to the Chief Secretary to Government, Fort Saint George, dated Madras, 15th September 1864, No. 1825.

I have the honor to submit an estimate* amounting to Rupees 225 for the cost of re-flooring the new Zillah school-house at Madura with smooth bricks, and I request Government will be pleased to sanction the expenditure at an early date, in order to allow of the materials being got ready against the commencement of the winter vacation, with a view to the work of the school being interfered with as little as possible.

* Requested to be returned.

2. The flooring of the Zillah school was constructed of chunam, and it is now completely broken up, consequently the re-flooring is urgently required.

3. As in other instances, that of the Calicut school for example, chunam has been used for flooring, I beg to suggest that a General Order be issued in the Public Works Department to the effect that hard bricks or tiles should hereafter be used for the floors of Government schools.

No. 60. ORDER THEREON, 23rd September 1864, No. 272.

The Governor in Council sanctions the re-flooring of the new Zillah school-house at Madura at an estimated cost of Rupees (225) two hundred and twenty-five.

2. Paragraph 3 of the Director's letter will be referred for consideration in the Public Works Department.

(True Extract.)
