No. 21. Read the following Endorsement of the Under Secretary to the Government of India, Public Works Department :—

Read the following Circular from Colonel R. STRACHEY, R. E., Secretary to the Government of India, Public Works Department, dated Simla, 27th August 1864, No. 60.

1. An accident, resulting in loss of life, having occurred in the Plunge-bath at Meean Meer, apparently resulting from the faulty construction of the steps, the Governor General in Council directs, that the steps of all Plunge-baths may be modified as shown in the margin, an arrangement which will be convenient for all parties, for those who can and those who cannot swim.

2. One-fourth of the bath at the end next to the steps should also be constructed so as not to be more than four feet deep for men who cannot swim. For the women's baths there should be a like arrangement.

Copy forwarded to the Secretary to the Government of Madras in the Public Works Department for information.
