Proceedings of the Madras Government, Public Works Department, 10th October 1864.

No. 119. Read the following Memorandum from C. G. WALKER, Esq., Deputy Secretary to Government, Judicial Department, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 30th September 1864, No. 515:—

The Deputy Secretary to Government has the honor to transmit the letter noted in the margin, together with estimate which accompanied it for the repairing of the Tumkum in Madura, and to inform Colonel Orr that the bungalow and its out-houses should be maintained in tenantable order.

From the Collector of Madura, dated 12th September 1864, No. 957.

From V. H. LEVINGE, Esq., Collector of Madura, to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated Madura, 12th September 1864, No. 957.

SIR,

1. I have the honor to report that on an application made to me by Mr. Goldingham. for certain repairs required to the Tumkum bungalow occupied by him on a monthly rent of Rupees 50, as per the enclosed estimate, amounting to Rupees 460, I requested Captain Moberly, Superintending Engineer, 8th Division, to submit it for the sanction of Government, as I considered the repairs necessary, but he returned it to me for the reasons stated by him in his letter to me dated 18th August last, copy of which accompanies.

2. From 1st January 1859, when the building was first rented, to July 1864 inclusive, a rent of Rupees 2,761-14-11 has been realized, and Rupees 1,638-9-8 spent on repairs and wages of servants, leaving a balance of Rupees 1,123-5-3. This expenditure also includes the sums of Rupees 626 and 190, expended by the Department Public Works under the sanction of Government, dated 19th May 1862, and 29th June 1863, respectively.

3. I have inspected the building, and am of opinion that the repairs are urgently required, I beg therefore the sanction of Government for the execution of the estimate.

4. I do not concur with Captain Moberly as to the desirability of selling the building. It is situated in a most eligible locality, and should be retained as Government property. There is no doubt that the rent will cover all expenses and leave a surplus.

The Collector of Madura

Sir

Referring to your No. 813-10th Instant I have the honor to submit for your consideration the advisability of suggesting to Government that the Pannakam be sold. The Estimate which you have forwarded is in great measure to maintain a number of out buildings for more than are generally allocated to a house rented for Rupees 50.

Encls-2
1. Estimate
2. original letter

2. I have no return here of the sums expended lately on the Pannakam, but believe that it has more than absorbed the rent.

3. My allotment for repairs is not sufficient to cover this Estimate and I am forbidden by G.O. No 78 of 29th June 1864 from sending Estimates except for works of Emergency, I presume, for the safety of a building.

4 I cannot consider that plastering (Value Rupees 105) new ceiling cloth (Rs 32) Pandal (Rs 19) come under this designation. I have &c.
