Dated 14 - 3 - 1864.

*Proceedings of the Madras Government, Public Works Department,
14th March 1864.*

No. 336. Read the following letter from Captain T. E. GAHAGAN, R. E., Executive Engineer in charge of 5th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Salem, 5th March 1864, No. 2,139 :—

SIR,

1. With reference to the Proceedings of Government, dated 14th December last, No. 3,681,
I have the honor to submit the accompanying four Statements showing the sums available for transfer to any other Division, from the current year's allotment for this Division.

— 4 Statements.

2. The delay in the submission of these documents has been occasioned partly by the necessity of repeated references to the Executive Engineer of Bangalore with the view of getting him to state precisely whether he would really require any additional funds for the New Dragoon Barracks, and partly to Lieutenant Whish not having as yet responded to the call made on him. The last Reminder was sent to the latter Officer on the 27th ultimo, and as there might be some delay in the receipt of the Statements sent from this Office, in consequence of his absence* from his Range, I have thought it proper not to delay the Statements for the Division any longer.

* (Reported in my No. 1,990 of the 18th February 1864.)

3. A further communication on the subject will be made immediately on receipt of the Statements from Lieutenant Whish, who appears to have come back to his Range within the last few days, but has not yet reported his return.
