Proceedings of the Madras Government, Public Works Department, 17th March 1864.

No. 424. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 8th March 1864, No. 2,086 :—

SIR,

1. I have the honor to request permission of Government to transfer from the head of Tanks to that of Irrigation Canals Rupees 3,000 in the Tinnevelly District for the current year.

2. Major Paxton reports that owing to the abundance of water in the tanks he cannot repair them immediately, but the Canals being now dry he can complete the work at once.

3. This is another instance of the difficulty noted in my No. 1,965 of 29th February 1864, arising from keeping separate two items which practically are very often closely connected.

No. 425. ORDER THEREON, 17th March 1864, No. 819.

The transfer of funds recommended in this letter is sanctioned.
