Proceedings of the Madras Government, Public Works Department, 18th March 1864.

No. 432. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Camp Rajahmundry, 7th March 1864, No. 2,292 :—

SIR,

No. 3,591 of 5th December 1863.

1. With reference to the Order of Government marginally noted, I do myself the honor of reporting that the materials of the Dowlaishweram Hospital, in other words, the building exclusive of its site, realized Rupees 440-11-2 at outcry.

2. Accompanying this is submitted the Account Sale of the building.

3. As the Hospital was built many years ago from the original Anicut funds, it is neither included in the stock account of the District nor in the sum of Rupees 6,486-4-0, which appears in our accounts as the value of Anicut plant: I have accordingly ordered the amount now realized to be sent to the Collector's Treasury as a "recovery from expenditure incurred previous to 30th April 1856," and hope that this method of disposing of the price of the building will meet with the sanction of Government.

No. 433. ORDER THEREON, 18th March 1864, No. 823.

The proceedings of the Superintending Engineer, 1st Division, reported in the foregoing letter are approved.
