No. 443. Read the following letter from Lieutenant-Colonel C. V. WILKIESON, R. E., Controller and Auditor of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Chepauk, 10th March 1864, No. 2,730:—

SIR,

I have the honor to submit a Bill of the Executive Engineer of Bangalore for Rupees 349-4-4 spent in 1861-62, which, with Rupees 1,134-3-5 passed in 1861, upon a previous Bill, make up Rupees 1,483-7-9 laid out on a new road from the Artillery Lines to the Race Course in the Cantonment of Bangalore, on account of an Estimate of Rupees 1,410 sanctioned in G. O., No. 2,446, dated the 14th October 1859. This road it is stated by Captain Goddard in a foot note to the Bill was not completed up to 30th April 1862, notwithstanding the increased outlay thereon, but that it was subsequently completed in the course of the past official year by the Chief Engineer, Mysore, from funds obtained by that Officer, on the representation of Captain Goddard that additional funds could not be expected from this Government. No record is said to be in existence of the cause of excess in outlay and of the incomplete state of the work, but Captain Tulloch is referred to for further information as to the history of the work. Under the circumstances above stated, I have deemed it proper to submit the present Bill specially with reference to paragraph 13, Chapter IV of the New Code for the sanction of Government.

No. 444. ORDER THEREON, 18th March 1864, No. 828.
