MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Fort Saint George, 27th February 1864, *No.* 2460; *to the Secretary to Government, Public Works Department.*

Forwarded to Government with the recommendation of His Excellency the Commander-in-Chief, if Funds can be made available.

From the Officer Commanding Ceded Districts, Head Quarters, Bellary, 17th February, 1864, *No.* 14; *to the Quarter Master General, Fort Saint George.*

The season for Invalids being sent to Ramandroog being now near at hand, I beg to recommend for the favorable consideration of His Excellency the Commander-in-Chief that tiles be substituted in place of thatch to the temporary Wash-house erected last year, as also to the second Verandah in front of Barracks and the Hospital Privy; the thatch now requires renewing and the tiles although costing more at first will be cheapest in the end, as the thatch is very easily destroyed by the high winds prevailing at that station, and during the monsoon absorbs so much damp and remains so for such a length of time that it cannot be any thing but prejudicial to the health of the Convalescents living in the Barracks and the Patients in the Hospital.

The approximate Estimate for the Barracks Rupees 1,200, and for the Wash-house and Privy, Rupees 300 each.

Referred to the Military Department.
