MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Superintending Engineer 1st Division, Waltair, 18th February 1864, *No.* 2221; *to the Secretary to Government, Public Works Department, Madras.*

In G. O. No. 3467 of 26th November last, in sanctioning 2,000 Rupees for certain requirements of the Battery of Horse Artillery at Waltair, Government desired that Estimates for these works, should be submitted without delay.

2. Various delays, owing principally to the transfer of the Vizagapatam Range, have been unavoidable, and even now, though the Powder Magazine, one of the sanctioned items, has been estimated for, its site is still undetermined by the Military Authorities.

3. This work may be deferred altogether, if, as believed here, the Artillery will be removed at the end of the year, and not relieved.

4. The Orders of Government are requested on the other items which are

Gun-shed accommodation.....	Rs. 127
Stands for Harness.....	„ 150
Accommodation for Farrier and sick Horses.....	„ 364
Wash-house fixtures.....	„ 212
Increased Guard-room accommodation.....	„ 312

these are in hand, but only a few Rupees have been spent in the collection of materials.

Referred to the Military Department, with reference to the Orders in that Department, No. 3423, dated 26th October 1863.
