Proceedings of the Madras Government, Educational Department,
14th March 1864.

No. 22. Read the following letter from E. B. POWELL, Esq., Director of Public Instruction; to the Chief Secretary to Government, Fort Saint George, dated Madras, 4th March 1864, No. 434.

In Order of Government, No. 1018 of July 2nd, 1859, the old Garrison Hospital at Bellary was directed to be made over to the Educational Department, with a view to its being repaired and adapted to the wants of the Provincial School at that station; and the Director of Public Instruction was authorized to arrange, in communication with the Chief Engineer, for the carrying out of the necessary alteration and repairs at an estimated cost of Rupees 700.

2. It happened however that, owing to the great want of Barrack accommodation at Bellary, the whole of the Hospital premises was not made over to the Department; and the Military authorities even spoke of reclaiming the portion which, in their view, had been lent for the use of the Provincial School.

3. In these circumstances Mr. Arbuthnot thought it advisable to take steps for the erection of a new School-house; and a subscription was set on foot at Bellary with the assistance of the Judge, Mr. Irvine, on the 30th January 1861. On September 19th of the same year the Inspector announced that Rupees 2249-8-0 had been subscribed, but that only Rupees 1334-8-0 had been paid into the Treasury.

4. On the 21st July 1862, Mr. Fortey reported that the Hospital had been finally made over to the Educational Department; and on the 11th of the following month he forwarded a plan and estimate of alterations required to render the building suitable for its present purpose. He also proposed that the subscriptions raised for the erection of a new building should, if no objection were taken by the subscribers, be devoted to defray the cost of the work. To this proposal I gave sanction; and it appeared ultimately that the amount of local subscriptions available was Rupees 1258-8-0, while the estimate of the cost was Rupees 1350.

5. I now request that sanction may be given for the issue of a grant of Rupees 91-8-0 from the Public Treasury to supplement the local contributions.

No. 23. ORDER THEREON, 14th March 1864, No. 87.

The Governor in Council sanctions a grant of Rupees (91-8-0) ninety-one and Annas eight, to complete the alterations proposed to the old Garrison Hospital at Bellary in order to adapt it to the wants of the Provincial School at that station.
