No. 510. Read the following Memorandum from the Consulting Engineer for Irrigation and Canal Company, dated Kurnool, 5th March 1864, No. 162.

Read the following letter from R. L. BRUNTON, Esq., Interim Acting Manager, Madras Irrigation and Canal Company, to the Consulting Engineer Madras Irrigation and Canal Company, dated Madras, 25th February 1864, No. 2,225:—

SIR,

With reference to the subjoined extract from a letter,* dated the 4th January 1864, from Mr. Westwood, I have the honor to request authority to draw my salary and allowance in full as Executive Engineer, in addition to the half salary of the late Agent as sanctioned by Government in the case of Mr. Budd.

* No. 1.

Extract of a letter from J. WESTWOOD, Esq., Secretary, to R. L. BRUNTON, Esq., Madras Irrigation and Canal Company, dated 27, Cannon Street, E. C., London, 4th January 1864, No. 1.

Mr. Budd it appears applied to the Madras Government for sanction to the payment of the amount of the whole of the salary formerly paid to Mr. Agnew, per month, which was at the rate of £500 per annum, but that Government, very properly, following the rule observed with its own Officers consented to approve of one-half of such salary being so paid, in addition to Mr. Budd's salary as Chief Store-keeper and Accountant. To this arrangement the Board have assented, and therefore during the time you shall be acting as the Company's "Interim Acting Manager" you will be entitled to receive in addition to your present pay a sum per month equal to one-half of Mr. Agnew's monthly salary, and you will be good enough to allow to Mr. Budd the same addition to his salary as Chief Store-keeper, &c., during the time which shall have intervened between Mr. Agnew's retirement on the 31st October last, and the day on which you may take possession of your appointment.
