**Proceedings of the Madras Government, Public Works Department,

No. 526. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, through the Controller and Auditor of Public Works Accounts, dated Madras, 4th March 1864, No. 5,503:—

SIR,

1. On the suspension of Ramasami Mudali on the 29th September 1863, as reported in my letter of the 14th January 1864, No. 4,494, it was found necessary to place in charge of the Wandawash Taluq, Polur Range, North Arcot, Setaram Naidoo the Cheyaur Anicut Overseer.

2. Mr. Assistant Engineer George reports that the man has been very active, and recommends that for the time he may continue in charge of the Taluq an extra allowance may be given to him to meet his travelling expenses. I would, however, recommend that he be allowed a moiety of his own salary with half also of that appertaining to the appointment of Taluq Overseer for the whole time he has been performing the duties thereof, together with the prescribed travelling allowance Rupees 20 per month, and that the same be continued to him until relieved by a regularly appointed Taluq Overseer.

Moiety of salary as Cheyaur Anicut Overseer	20
Do. Taluq Overseer	30
Total per month..	50

There is no objection to the arrangement of the Superintending Engineer, 4th Division, if the Government approve of it.
