*Proceedings of the Madras Government, Public Works Department,
31st March 1864.*

No. 570. Read the following letter from E. E. MERRALL, Esq., C. E., to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Royal Hotel, 18th March 1864:—

SIR,

1. I have the honor to inform you that I was unable to obtain a Cheque from Captain Beckley for the money granted to me by Government until mid-day on Saturday the 12th instant, and as the Calcutta Steamer left Madras on Tuesday, and was expected on Sunday or Monday, I could not arrange to get away in so short a time, and am consequently compelled to defer my departure from India until the next Steamer on the 12th of April, which will involve me in extra expenses to the amount of more than Rupees 200.

2. This delay was entirely due to the Government Solicitors failing to forward the Acquittance Deed sooner. If I could have only had about four or five days more time at my command I could have arranged all my business very easily.

3. Under these circumstances, I respectfully request that you will kindly solicit the Madras Government to remit to me the *Rupees 180 Income Tax* deducted from my gratuity of twelve months' salary. I think this deduction was hardly contemplated by Government when granting me the money, and it will assist in paying part of my extra expenses incurred through delays not attributable to any neglect of mine.

No. 571.

ORDER THEREON, 31st March 1864, No. 890.

Government cannot accede to the request contained in this letter.
